

Tallassee Armory Guards Camp 1921

It's finally flying!!

The flag on Highway 63 is up, flying, and greeting drivers as they come around the curve. A group of compatriots of Camp 1921 met around 8:00 AM on 2 August 2014 to finish some ground work and to raise the flag. Compatriots Marion Patrick, Ronnie Brantley, Vann Royal, Steven Hammonds, Tom Spradley, Bill Anthony, Commander Hughey, Larry Warren, Michael Black, and Floyd Meigs all showed up with their shovels, slang blades, wheel barrows and weed eaters to get the job done. Big thanks to y'all! Pictures below:
